

# Scams Bingo

To play Scam Bingo follow these instructions:

1. Print off one card for each player plus an additional card.
2. Cut the additional pieces into individual scam cards and shuffle.
3. Each player (or if virtually, a selected player) picks up a card and reads out the scam type.
4. If a player has experienced or personally seen that scam they cross off the scam in the sheet. If you are unsure of the scam you can look it up on [www.scamwatch.gov.au](http://www.scamwatch.gov.au)
5. The first player to cross off either a full row or column, yells **"SCAM BINGO!"** and wins the game.
